COLLEGE LOCATION MAP

HISTORY

Rani Birla Girls' College is one of the Premiere Women's Institute for higher education in Kolkata, affiliated to the University of Calcutta. With a rich history of 62 years of successful running, the college has crossed several hurdles to establish its place in the world of academics and has emerged as one of the best choices for girls in Kolkata to get a holistic education.

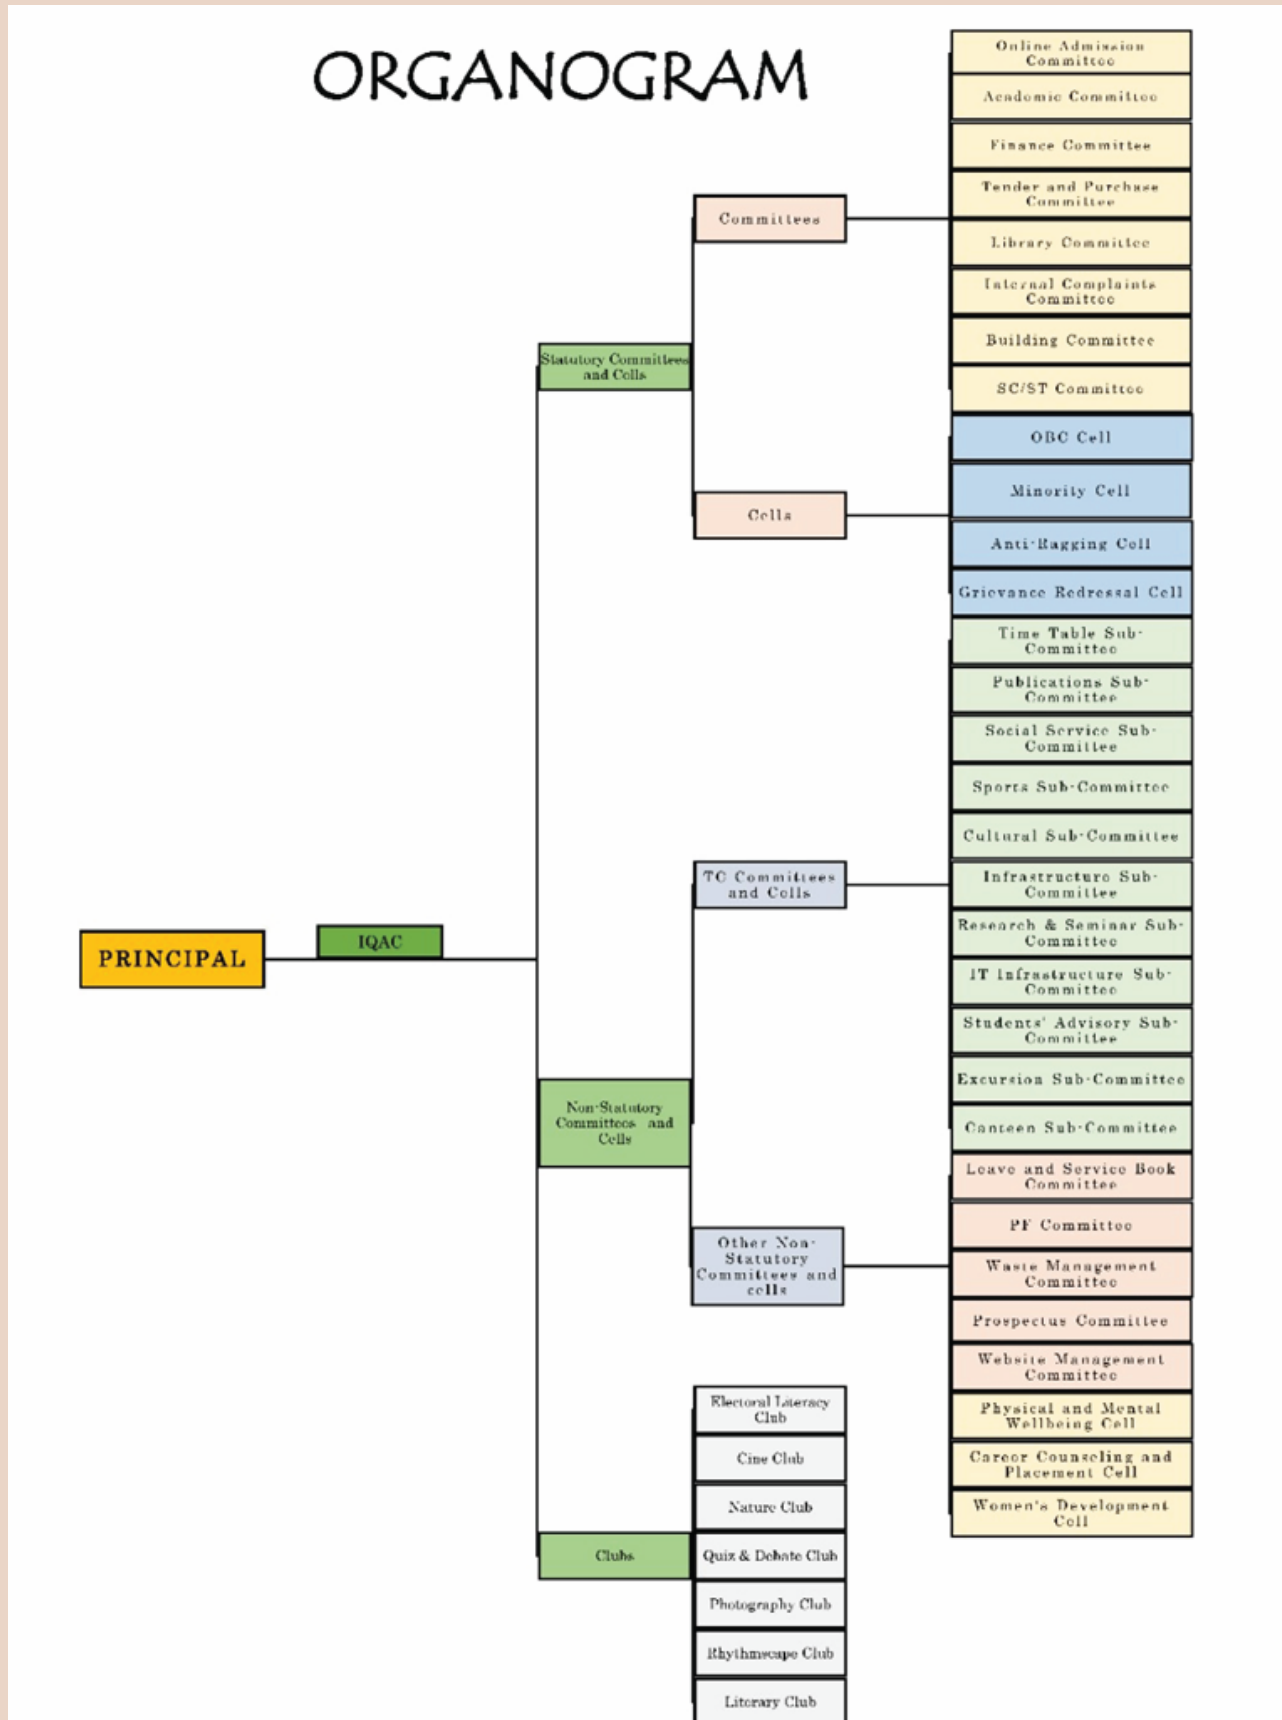

The college was founded in the memory of Rani Jogeswari Devi Birla and began its journey on 5th July 1961 under the Hindustan charitable Trust. The formal inauguration was held on 8th April, 1962 and the ceremony was attended by Mr. S.R DAS, the then Chief Justice of the Supreme Court of India, Mr. B.M. Birla, the Chairman of the Governing Body and Mrs. V. Clark, Administrator of The Modern High School. The College began functioning under the excellent management of the first Principal, Mrs. Kamala Dasgupta, a successful teacher of the Modern High School. Initially, the College had English, History, Political Science, Education, Hindi and Philosophy departments. Later on, keeping up with the times, Sociology and Geography were also introduced along with Communicative English, Journalism and Mass Communication and Fashion and Apparel Designing.

The Top floor of the Modern High School at 78 Syed Amir Ali Avenue housed the College for almost two decades, till 1979, when for the need of a bigger premises, it shifted to its present address at 38 Shakespeare Sarani, Kolkata -17.

A New Era of momentous changes began with 1997 as the College came under the Department of Higher Education, Government of West Bengal in 1998. The journey of RBGC, as it came to be called fondly, began now as a Government Aided College. With new administration came new approaches and more modernist curriculum aimed at serving the rapidly changing student profile of the New Millennium. Sociology, Fashion and Apparel Designing, Journalism and Mass Communication were introduced as Full Courses along with Communicative English as Major. In this new journey, one of the first feathers in the cap was The NAAC Accreditation of 2009 followed by the same in 2015.

Almost half a century of consistent performance was the key point of pride for RBGC. The Golden Jubilee Celebration of the College in 2011 was an occasion of much joy and celebration. The successful Journey of Rani Birla Girls' College was put proudly forward by the staff and students of the Institute. The Inaugural Programme was held on 15th December 2010 and was graced by the august presence of the Honourable Minister of Higher Education, Government of West Bengal, Registrar of The University of Calcutta, and other dignitaries. The Celebration continued till July 2011 within the College Premises with the help and support of the alumni and the staff of the College as well as the spontaneous performances put together by the then students. As the College approaches the 65th Year mark, the multifaceted tradition of the RBGC along with the spirit of making successful independent individuals continue with more grit and determination.

UNDER GRADUATE DEPARTMENTS

Honours Departments

DEPARTMENT OF ENGLISH

The department of English dates back to 1961, the year of the establishment of the college. English has both been a compulsory subject as well as an elective subject at the B.A. level from the very first academic session, 1961-62. English was offered as an Honours subject from the 1962-63 session. Since its inception in 1961, the department of English has been one of the most popular departments of the college, attracting students not only from all parts of West Bengal but from other states of the country as well.

With the introduction of the CBCS curriculum in 2018, the department of English has embraced a modern syllabus that deals with every aspect of literature in English and trains students to pursue further studies in English. The advent of interdisciplinary approach in the English Honours syllabus has been properly catered to expose the students to the varied occupational opportunities. With its team of experienced, dedicated, and well-qualified teachers, the department has acquired the reputation of being one of the best in the state. Apart from classroom teaching, the department makes use of smart teaching tools, conducts students' seminars and a range of other strategies to bring the students at par with the best in the country. The sincerity and dedication of the faculty have been rewarding as many students have achieved excellent results at the university examinations over the years, pursuing higher studies within and outside the country as well as working as extremely successful professionals.

DEPARTMENT OF EDUCATION

The establishment of the department of Education dates back to 1961. Originating as a department offering the B.A. (General) course of study, the Honours course in Education was offered from the 1984-85 academic session. Special individual attention and encouragement to the students from the faculty has been instrumental in ensuring good academic performances. Education as a subject has been a popular choice amongst students of the Humanities.

Education is an interdisciplinary subject which absorbs matter from subjects like Philosophy, Psychology, Sociology, History, Statistics, Technology, Management and Current Affairs. It helps to delve deeply into human behaviour and creates educators and teachers to nurture young minds. Since it is interdisciplinary, the subject has its door open towards management, teaching, research, journalism etc. The country's progress depends upon its education system. This system requires educators and educationists for its proper administration and regulations. It is only by studying the subject education that educational administrators can be made and they can guide the country towards proper educational progress. The department has been successfully producing students securing good academic results and future professionals of various fields.

DEPARTMENT OF GEOGRAPHY

The department of Geography is the only earth sciences department in the college. Established in 1961 with the establishment of the college, the department initially offered the undergraduate general degree course. With its dedicated faculties and staff along with student-friendly laboratory, the department aims at training the students to become competent new age geographers. Environment consciousness being the call of the day, geography as a discipline has emerged as a very relevant and contemporary field of study. The students of the department not only know about the earth as a physical entity but also get a perspective of its resources and their judicious use, making them environment-aware citizens of tomorrow.

The department organizes regular field-trips for the honours and general course students separately. Tutorials, class tests, remedial classes and students' seminars are regularly conducted for the evaluation of the students.
