### Activity Report

Report: Visit to Slum, Kolkata (28/03/22)

The Slum visit with the Semester 6 H Students of the Department of Political Science, held on 28/03/22, served as a powerful catalyst for social cause towards society. It helped the students the knowledge towards the lesser privileged sections of society, especially the trajectories faced by the children. The visit was an attempt to teach them beyond classroom about the challenges of Human Rights as a part of their Discipline Elective (Specific) subject.

The students showed compassion towards them, and learnt the importance of inclusivity, and education for all, by organizing skit and draw competition, singing and talent showcasing in an informal manner. Further, faculties distributed study kits and Dr. Prihi Ghatani, offered books to the kids too. Overall, the visit was a great success.
